

Bio-Recovery Corporation - Serving NY NJ CT

51-49 47 Street
Queens, NY 11377
United States

When the unthinkable happens the staff of Bio-Recovery Corporation are here to respond. We are dedicated to the recovery of all accident, crime, trauma and bio-hazardous scenes; from suicides, homicides, hoarder cleanouts, sewage back flows, microbial contamination issues, Norwalk Virus, to MRSA, Legionella and many more. Your physical as well as your mental health is our primary concern. Bio-Recovery Corporation has been providing this service for over 10 years to residents and businesses of the tri-state area. Our technicians are available to respond 24hrs/day in New York, New Jersey, and Connecticut as well as having nationwide affiliates. Please don't attempt to clean a crime or trauma scene yourself. Contact Bio-Recovery Corporation for fast, friendly and professional service. For crime scene cleanup services in New York, New Jersey and Connecticut, remember Bio-Recovery Corporation. Please visit our website found through the link to your right for more information about our company.
